**Subject: Assessment of Annual Declaration Form and grant of Renewal of Undergraduate seats (MBBS) for the year 2025-26 - regarding.**

Sir/ Madam,

I am directed to refer to the Public Notice issued by UGMEB vide dated 01.11.2024 uploaded on the NMC website on 06.11.2024, directing all medical colleges with valid Letters of Permission (LoP) to upload the details/data of their respective institutions on the NMC portal for the annual declaration, as required under the NMC Act, 2019 and various regulations issued by NMC from time to time, for the grant of renewal of MBBS seats for the academic year 2025-26.

2. Based on the details furnished by your college, the experts assessed the submissions, and accordingly, a Notice dated 11.05.2025 was issued highlighting the following deficiencies observed during the assessment:

- i. All the departments are deficient in faculty/Resident/tutor as per AEBAS record data.
- ii. Out of 19 departments 3 are deficient in terms of faculty Anatomy, Community Medicine, Forensic (in self declaration).
- iii. For SR/Tutor almost 11 departments are deficient (in self

declaration).

- iv. Clinical load of Clinical Pathology is less.
- v. Data of Number of Major & Minor OT is not available.
- vi. Data of last increase of seat LOP related document is not available.
- vii. For family adoption program, number of families adopted is less.

3. Subsequently, the compliance report submitted by your Institution was also evaluated by the Assessors; however, amongst other deficiencies, following key deficiencies were again highlighted w.r.t. your College/Institution:

- i. All departments are still deficient in faculty/Resident/tutor as per AEBAS record data. However, your explanation has been accepted, therefore the college may adhere to the deficiencies found in the AEBAS.
- ii. After updated details of faculty submitted, Community Medicine Dept. is still deficient in Statistician cum Assistant Professor and FMT department is having deficiency of Professor.
- iii. No details are provided regarding SRs deficiency except for Orthopaedics dept.
- iv. Clinical load of Clinical Pathology is still less.
- v. Number of OTs provided in which minor OT is inadequate.

Further, it has been observed that during the renewal process for the previous year AY 2024-25, penalty was imposed and conditional renewal was granted in view of the substantive nature of deficiencies in your College.

4. In the physical hearing, your college was represented by the Dean/Principal/Vice-Principal/HoD, who appeared before the Board **on 20<sup>th</sup> June, 2025**. It is observed that gross and substantive deficiencies in both faculty and clinical parameters were found in your medical college/Institute. And the clarifications furnished by your institution were not found convincing and satisfactory. The college also accepted the deficiencies and assured to fulfill the same within a very short span of time. As per the standards prescribed under the extant regulations, a medical college shall be deemed **grossly deficient** if significant shortcomings are observed in any of the following key parameters:

- 1. **Data/Details submitted by the Colleges in Annual Declaration Form on the NMC portal.**

- II. **AEBAS Analysis (Aadhaar Enabled Biometric Attendance System) for the Academic Year 2024-25.**
- III. **Reply of the College Authorities to the Show Cause Notice.**
- IV. **Physical Hearing of College Authorities.**
- V. **Verification of Form-16 and Form 26AS as provided by college authority.**

5. Further, it is to convey that the college was earlier cautioned during the academic year 2024-25 that stringent action, as mandated under Chapter-III, Clause-8 of the MSMER-2023 under the heading "Penalties", would be imposed if the deficiencies continued to exist. Despite this, the deficiencies have persisted and no significant improvement has been noted. Since the medical college has been found deficient in one or more of the parameters stated in Paragraph 3 above, the Board has decided to impose penalty of **Rs. Fifteen Lacs only (Rs.15,000,00/-)** and to grant conditional **renewal of 150 undergraduate (MBBS) seats for the academic year 2025-26**. Subsequently, after a gap of two months, a re-assessment of the college will be conducted. If deficiencies are still found to exist, then action as deemed fit **as mandated under MSMER-2023 Chapter-III, Clause-8 (Penalties)** shall be imposed without further notice.

6. As per, it is directed to remit the penalty amount within seven days (7 days) into "**NMC Own Resources, Canara Bank Account No.No. 90682160000025, IFSC code CNRB0019109**" and forward confirmation of payment along with transaction details to [ugrenewal@nmc.org.in](mailto:ugrenewal@nmc.org.in).

7. If you are not satisfied and aggrieved with the decision of the Board, you are free to prefer an appeal before the Commission under Section 9, Chapter IV of the Maintenance of Standards of Medical Education Regulations, 2023, (MSMER, 2023) within sixty days of the issue of this letter.

8. This issue with the approval of the Competent Authority

Yours faithfully,

**(Sukh Lal Meena)**
